

SkillsUSA Georgia Weekly Chapter Activities

Week 5

Lesson Plan: Dress for Success

Objective: To address how to dress appropriately for SkillsUSA events and the business world.

Instructions: Through a PowerPoint, review with your students the proper attire for SkillsUSA events and the business world. Remind them that appearance is a large part of a first impression and they want to always present a polished front.

Fall Leadership Conference will be one of your first opportunities to use your newly acquired Dress for Success skills. Take a few moments to plan out what your chapter will be wearing.

- Will your chapter have matching shirts for your arrival on Thursday? Many chapters have special school SkillsUSA shirts, decide if this is an option for your chapter.
- General Session: Students and Advisors should wear official dress, professional dress or business casual. Advisors, your students will follow your example so make sure you "Dress for Success". Many students and advisors that do not own the red blazer or windbreaker will opt to wear black slacks/skirt and a white shirt/blouse.
- Each registrant will receive a red polo to wear on Friday. These look great with black, navy or khaki pants. Remember no jeans during the training sessions.
- Make sure to pack your swimsuit for Summer Waves.
