

SkillsUSA Georgia Weekly Chapter Activities

Week 5

Lesson Plan: Career Exploration

Objective: In honor of Labor Day, allow your students to take the RIASEC Test and then explore different career opportunities.

Instructions:

1. Start by allowing your students to take the RIASEC Test.
2. After the students have determined their top 2 letters, let them use that information to explore career opportunities. Great places to start are:
<http://www.careeronestop.org/>
www.dol.state.ga.us
<http://www.bls.gov/OCO/>
3. Finally, use the following goal setting questions, help your students determine how they might obtain this career. If your students are still unsure about which career might be right for them, allow them to use these questions to set the goal of determining a career pathway.
 - a. Name your Goal(s).
 - b. Describe your goal as specifically as possible (try not to be vague as this will be a hindrance in achieving your goal).
 - c. Set a deadline.
 - d. Why is the goal important to you? Give reasons.
 - e. What are the obstacles that you might face.
 - f. What are some qualities that will help you to achieve your goals? List them.
